Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES.

IULES HAUEL, Esa, the well known perfamer, of Chesinut Street, Philadelphia, whose choice products are found at almost every toilet, says:

"I san happy to say of your Carinavic Pills, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 13th April, 1534:

"Dn. J. C. Aren.— Sir: I have taken your Pills with great benefit, for the listlessness, languar, loss of appetite, and Billous bendache, which has of late years overtaken me in the pring. A few doses of your Pills cured me. I have used your Cherry Fectoral many years in my family for coughs and colds with unfailing success. You make medicines which exerc and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Eaq., Sec. of the Penn. Railroad Cu., says:

says:

"Pa. R. R. Office, Philadelphia, Dec. 13, 1853.

"Sir: I take pleasure in adding my testimony to the efficacy of year medicines, having derived very material benefit from the use of both your Pectoral and Catharite.

Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them." The widely renowned S. S. STEVENS, M. D., of Went-worth, N. H., writes:

"Having used your CATHANTIC PILLS in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, contiveness, and the great variety of diseases that follow, they are a surer romedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Fills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Pecteral as the best found, medicine in the world; and these Fills are in no wise inferior to that admirable preparation for the treatment of diseases."

"Actan, Me., Nov. 25, 1853.

"DR. J. C. Aven - Dear Sir: I have been afflicted fro "Dr. J. C. Aven — Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' trial, and an untold of amount of suffering, have been completely carred in a few weeks by your Pills. With what feelings of rejoicing I write can only be imagined when you realize what I have suffered, and how lear

Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, hesides the unendurable pain; at others it rettled in the scalp of my head, and destroyed my hair, and has kept me partly haid all my days; sometimes it came out in my face, and kept it for months a raw sore. "About nine weeks ago I frommenced taking your Cahartic Pills, and now an entirely free from the complaint. By eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c., MARIA RICKER."

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

ANDREW J. MESERVE,

Overseer of the Portsmenth Manufacturing Co."

Cart. JUEL. PRATT, of the ship Marion, writes from Boston, Suh April, 1854:

"Your Pills have cured me from a bilious attack which strose from derangement of the Liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy! could try; but a few doses of your Pills have completely restared me to health. I have given them to my children for worms, with the best effects. They were pumpily cured. I recommended them to, a friend for contiveness, which had troubled him for months; be told me in a few days they had cured him. You make the best medicine in the world; and I am free to say so."

You make the best medicine in the world; and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.

"Sir I lave great satisfaction in nesuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your Chenzay Pactoral, and since ther has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for three complaints. Your Caynarde Prils have entirely cured me from a dyspessia and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to cur family, and you may well suppose we are not un mindful of it. Yours respectfully.

"Dr. J. C. Aven — Hunored Sir: I have made a thorough trial of the Carnastic Pills, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in hetter health now than for some years before, which I attribute entirely to the effects of your Carnastic Pills. Yours with great respect, LUCIUS B. METCALF." The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true.

DR. JOHN BULL.

SOMETHING NEW AND VALUABLE

The most powerful King on the face of the globe now wigns supreme in the American Republic. The power of the crowned heads of Europe sink jute insignificance then compared to our American Ring. Rute just insignificance there is no supply the power vested in them to necrouse the riches of the rich and lordly, and to resince o greater misers and degradation, the poor and dependent, our American King goes forth with equal willing eas to the lordly mansion and the humble cabin ready like to administer relief, and to offer health and happiess to the lofty and lowly, the rich and the poor.

DR. JOHN BULL'S AMERICAN KING OF PAIN Is the TRITH WORDER OF THE WORLD, and the greatest blessing ever offered to afflicted humanity; to the soffering millions, the Doctor can say, relief is at your command. You have only to use this magical remedy. All those who still suffer, and will not accept the proferred Baim, deserve not the pity of their families.

This wonderful medicine, during the brief period since its introduction, has carried happiness to the hearts of thousands, and made it's a charm to many who heretofore reparted it only as a painful and miserable existence.

To the winds with all Liniments, Embrocations, Pain Killers, and Pain Extractors, and let millions of glad tongues procisim the merits of the great "American King of pain," a preparation composed solely of vege-tables and roots, produced by America's own rich and

King of pain," a preparation composed solely of vegetables and roots, produced by America's own rich and
bounteens soil.

We would sak the Ladizs, who are always competent
judges of what is and what is not a valuable family medleine, to do us a special favor by giving the King of Pain
a single train, and if satisfactory, exert their influence
in its behalf, recommend it, speak well and often of it,
and see that it is used by their afflicted neighbors. The
Ladies are always charitable, and when they induce their
suffering friends to use this really valuable medicine,
they will be doing an act of benevolence that they can
well be proud of. This is a powerful and truly-magical
remedy for all external disenses, sores, swellings, burns,
&c., and for many internal afflictions is a certain cure,
yet it is perfectly harmiess, and incapable of producing
the least injurious effects in the most delicate cases or
the weakest constitution

It is entirely useless to follow the old and worn-out
system of publishing to the public thousands of certificases of wonders performed by this medicine. It costs
but twenty-five cents to try it, and br. liuil stakes his
well earned reputation on the King of Pain doing all
and more than he claims for it.

We would ask have you the Rheumstism of thout

you would like to drive them away as soon as possible,

MAGICAL KING OF PAIN.

Would you be cared of Scald Head, Stiff Joints, Sore Throat, Neuralgia, Sore Breast, Lumbago, Tetrer or Ring Worm, Sait Rheum, Bites of Poisonous Insects, Chapped Hands, and all other Sores, either dry or running, we say sgalo and again town REMEDT is Dr. John Bull's

"KING OF PAIN." Would you be cured of King's Evil, Cancer, Tumors, Eruptions, or any disease of the Skin caused by impure blood, then use Dr. John Bull's Sarsaparilla internally, and the King of Pain externally, nothing can be more certain than a speedy and effectual cure.

DR. JOHN BULL'S SARSAPARILLA.

nown

Powiers.

It is a remarkable fact, that among the hundreds of eminent physicians who have examined the recipe by which Buil's Sarsaparilla is prepared, not one has condemned it, but all approve it, and commend it in the highest terms. Many physicians express themselves strongly in the belief that it is decidedly the best preparation of Sarsaparilla that has ever been placed before the public. Although there are many physicians who feel a rejustance to taxing their names appended to the recommendation of any particular remedy, notwithstanding they may approve of it in the highest degree; there are others who frankly yield their support in favor of a remedy which they know is capable of doing so much good in an afficted community. As an evidence, read the following from eld and respectable physicians, of high standing in the community in which they live.

TESTIMONY:

all comments on the efficacy of Bull's Sarsaparilia. From Dr. L. P. Yandall, Professor of Chemistry in the Louisville Medical College: I have looked over the list of ingredients composing John Bull's Extract of Sarsaparilla and have no hesitation in saying that they form a safe compound, and one that promises well in chronic discusse, to which it is applicable. L. P. YANDALL M.D. Leuisville, June 6, 1848.

What Dr. Pyles, physician by appointment to the ouisville Marine Hospital says of Buil's Sarsaparilla: Louisville, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and I believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article now in use. M. PYLES, M.D. Resident Physician Louisville Marine Hospital

Better testimony than was ever offered in favor of any medicine. Rev E. W. Sehon — Rev. E. Stevenson : LOUISVILLE, May 20, 1849.

We have used John Bull's Sarsaparilla, and have known it to be used, with entire satisfaction; and we have no hesitation in stating our belief that it is a safe and valuable medical compound, and calculated to pro-duce much good and relieve much suffering; and therefore would cheerfully and most earnestly recommend it to the

We would earnestly invite all persens who are suffering with any of the life that flesh is heir to, to call on Dr. John Buff's agent and get a copy of itni's Family Journal gratis; and for the sake of humanity we hope that a single individual will not be found unwilling to give itnil's Saraparilia a trial after reading and recolsciting, at the same time, that it is impossible for the Doctor to publish the tenth part of the number of certificates of astounding cures performed by his Saraparilla. The amount of testimony voluntarily showered on Dr. Huil's Saraparilla, from well known and distinguished individuals, both in public and private life, has been perfectly overwhelming.
